

Gulf Ridge Council Cub Scout Summer Camp, 2011

Jungle Safari

Dear Cub Scouts and Parents,

Welcome to our 2011 Jungle Safari Cub Scout Summer Camp Program! We have an exciting program of fun and adventure planned this year at camp. Our adventurous Cub Scouts will explore the jungle and enjoy activities such as archery, Scoutcraft, sports, BB shooting, and much, much more.

Parents, you are also invited on this adventure! You may join us as a member of the staff or as a parent volunteer assisting the staff. To ensure a safe and successful Day Camp program each pack must provide 1 adult volunteer for every 4 Cub Scouts attending camp.

To join us as we celebrate the adventure and continue in this great Scouting journey, just complete the attached application and health form and return it with your payment to your Pack Camp Coordinator. Please fill out a separate form for each person attending camp and for each camp that they will be attending. Feel free to make as many copies as you need. If your pack is not attending, you may register individually. Please contact your Camp Director for instructions.

PLEASE KEEP THIS INFORMATION AS A FUTURE REFERENCE.
