FEBRUARY - March 2012
Adult Leader Training Course

An Advanced Training Course for Adult Leaders in the Cub Scout, Boy Scout,
Varsity and Venturing Programs

THE WOOD BADGE PLAN

Wood Badge training is the highest level training program for all Adult Scout Leaders, including Cub Scout, Boy Scout, Varsity Scout and Venturing Leaders, Council and District leaders as well as Scout professionals. Wood Badge teaches how to be a better leader and how to lead groups effectively plan projects and achieve objectives. The first part of Wood Badge is a practical training, which takes place in a camp setting where leadership skills are learned and practiced. Wood Badge training does not cover outdoor skills. The second part of Wood Badge is application of leadership skills to five goals self-selected by the participant. Participants earn their “beads” after successfully completing both the practical training and their five goals.
